

# ResQ Squad Bike Safety Cootie Catcher

To Play:

Make it your own—color it to fit your style!

1. Have someone choose a word and spell it out while moving the points open and closed in opposite directions.
2. Have the person choose a word that is showing. Spell it out while moving the points open and closed in opposite directions.
3. Have the person choose another word that is showing. Spell it out while moving the points open and closed in opposite directions.
4. Have the person choose a third word that is showing. Open the flap to reveal ResQ's advice for bike safety!
